

A Fresh Chapter in Luxury Rental Senior Living

*Professional Rendering

In Elmhurst, a familiar community is entering an exciting new era. The Roosevelt at Salt Creek has been thoughtfully reimagined following a multi-million-dollar renovation.

The transformation reflects the way today's older adults want to live, combining elegant surroundings, meaningful engagement, and a lifestyle that supports independence and connection.

The Roosevelt offers a continuum of care that includes independent living, assisted living, and a new 19-unit boutique 'Timeless Memory Care' neighborhood. This allows residents to enjoy an active lifestyle today while knowing additional support is available should their needs evolve over time.

A defining feature is the rental model. Residents enjoy the benefits of full-service senior living without the buy-in fees of traditional entrance fee communities, with services such as dining, housekeeping, maintenance, and amenities included in the monthly rental.

Step inside and the transformation is immediately apparent. Newly refreshed interiors, warm architectural details, and carefully curated furnishings create an atmosphere that feels more like a boutique hotel than a retirement community. "Our goal with the renovation was to create spaces that feel beautiful, welcoming, and inspiring," says Executive Director Tam Wagner.

"We want residents to feel proud of where they live and excited about the experiences that happen here every day."

— Tam Wagner, Executive Director

At the heart of daily life at The Roosevelt is a strong culinary program that brings residents together. The beautifully renovated Butterfield Dining Room offers chef-prepared meals in a restaurant-style setting, while the "R" Bistro, which proudly serves Starbucks, provides

a relaxed gathering place for coffee, casual meals, and conversation throughout the day. From seasonal menus to special culinary events, dining is designed to be both social and memorable.

Beyond dining, the renovation introduces inviting spaces designed for connection, creativity, and wellness. Residents gather for performances in the theater, explore new interests in the art studio, and participate in fitness and wellness classes. Amenities include an indoor heated pool, salon and spa services, community lounges, concierge-style support, and landscaped courtyards for outdoor enjoyment.

Residences feature open layouts, modern kitchens, and thoughtful finishes, offering a comfortable, maintenance-free lifestyle that allows residents to focus on what matters most.

Our Dedicated Team

Life at The Roosevelt is defined not only by its surroundings, but by a strong sense of engagement and purpose. A dynamic calendar of cultural programs, lectures, social events, and outings keeps residents active and connected. Through the "Roosevelt Gives Back" program, residents also participate in volunteer initiatives and community partnerships throughout Elmhurst.

For those seeking a lifestyle that blends sophistication with connection and peace of mind, The Roosevelt at Salt Creek offers a thoughtful and contemporary approach to senior living.
